#### Wagner says People's Settlement misused funds

By: Rachael Samuels  
State Auditor Tom Wagner's office has released a final report on the investigation into finances at a Wilmington nonprofit. Wagner conducted a special investigation into the misuse of funding for the People's Settlement Association, concluding that PSA director Keith Lake diverted state funds to unauthorized programs. According to the state auditor's office, Lake's lack of knowledge and or willing intent contributed to discrepancies in many transactions.

United Way and the state have cut off funding to the PSA and Wagner says others should deny funding to the group, which is the oldest non-profit in the state, until they can prove where the money is going.
